

Concept Note

Chemistry is a big aspect of every moments of our day-to-day life. We ourselves are beautiful chemical creations and all our activities are controlled by chemicals. One can easily observe this branch of science in different spheres of human life and literally every object we can see or touch such as in the food we eat, the air we breathe, the various medicines, cosmetics, cleansing agents we use. Even human emotions are a result of chemical reactions within our body.

The principles of chemistry have been used for the benefit of mankind. It has grown into the convinced basis of immense multinational industries for benefit of millions of people without their even being aware of the role of chemistry in their lives. Chemistry is at the heart of environmental concerns. The aim of this webinar is to impart light and to develop a critical approach towards the following **sub-themes**:

- Applications and importance of chemistry in our day-to-day lives
- Chemical phenomena of our everyday lives from a scientific perspective

SCHEDULE

Time	Programme
12:55 PM	Join The Meeting
01:00 PM	Welcome: Prof. (Dr.) Ajit Prasad Sinha, Head, Department of Chemistry
01:10 PM	Presidential Address: Prof. (Dr.) M. Shamsul Islam, Principal
01:35 PM	Speech: Dr. Rajesh Ranjan Pandey, Assistant Professor, Department of Chemistry
02:00 PM	Speech: Dr. Dhananjay Kumar, Assistant Professor, Department of Chemistry
02:30 PM	Conclusive remarks and Vote of Thanks: Dr. Amritendu Ghosal, IQAC Coordinator-cum-Head, Department of English
02:45 PM	National Anthem

* Anchoring: **Dr. Nidhi Tripathi**, Assistant Professor, Department of Chemistry

* Technical Support: **Mr. Saif Akhter**, Assistant Professor, Department of Business Studies
